By the request of a number of the ladies nominated in the Sentinel's World's Fair Campaign the Tour Manager has added a trip to New York City and a tour of the Bermuda Islands. This tour will include all expenses from the time of leaving Cleveland until the return and the winners will have the choice of the Western and Pacific Coast tour or the New York and Bermuda Islands tour. The following is a brief outline of this trip and will be under the direction of the Cook Tours, New York.

By rail to America's metropolis, the wonder city, New York, with its many skyscrapers, subways and under water tunnels, stopping at the Hotel Bristol, on 49th street, just off Broadway, in the heart of the city. Visiting the shopping districts, automobile trip up Fifth avenue, through Central Park, visiting Harlem, Grant's tomb and Riverside drive. Theatre party to the Hippodrome, New York's largest playhouse. By the palatial steamer Trent, to the land of perpetual sunshine, the beautiful Bermudian Islands known in poetry and song as the land of the lily and the rose. Stopping at the famous Hamilton hotel. Carriage drive to Gibbs' Hill lighthouse. Steamer trips through submarine gardens and admission to aquarium. Carriage drive to St. George's, The Caves, and Devil's Hole. Admission to the Joyce Dock, Admiral Cave or Crystal Cave, moonlight or searchlight trip to the reefs; admission to Tom Moore's House. Trip to prospect where the English soldiers are quartered.
